What's that melody?
It reminds me of when I was younger...
1
I can almost remember it...
What was it called?
It's "Amaryllis"!
2
3
Ooh! That's right!
Amaryllis...

Grandpa, do you have some special memories of amaryllis?
No, I actually don't even know what kind of flower an amaryllis is.
So why does it remind me of my youth?
Songs are mysterious things.
